## Our Values

We value the authoritative, inspired and all sufficient Word of God, and the preaching and teaching of it, without compromise.

We value worship as a response to God, both individually and corporately, which exalts and glorifies Him.

We value living by faith in the power of the Holy Spirit through personal commitment to the Word of God and prayer.

We value obeying the Great Commission to impact our families, communities, country, and the world for Christ.

We value our new life in Christ, by the provision of His shed blood and the teaching of grace and our new identity in Christ, as the basis for victorious Christian living.

We value the building of strong Biblical family relationships.

We value the fellowship and unity of the Body in mutually edifying relationships, including the dynamics of small groups, in which to experience love, fellowship, accountability, and personal growth.

We value the equipping of believers to use their spiritual gifts in ministry to others.

We value the wise stewardship of our time, talents, and money to the glory of God.

We value the ongoing training and mentoring of servant leaders for the future growth of the church.
